/Ricky L. Mack/  
Supervisory Patent Examiner, Art Unit 2873

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Examiner contacted applicant's attorney because the office had not received a reply to office action dated 3/24/2008 and the statutory period had elapsed. The applicant's representative through his representative Michelle Roopram informed the examiner that no reply was filed with the office and that the application was therefore effectively abandoned. Further on 10/9/2008 the applicant's council Eugene Ladonne confirmed this through a second phone conversation with the examiner.
